SKILLS

- C# .NET
- Dapper
- EF Core
- PostgreSQL
- Multi-Tenancy
- Python.NET

SUMMARY

I'm an experienced .NET backend developer with 3+ years of expertise in multi-tenancy. I have a strong command of Dapper and i used Entity Framework Core. Additionally, I'm familiar with PostgreSQL, Redis, Amazon SQS, and Scrum. I have also worked on personal projects using Angular. I'm a team player with excellent communication and problem-solving skills. I enjoy taking on challenging projects and continuously learning new technologies.

WORK EXPERIENCE

.NET Backend Developer
Protein
February 2021 to continues (3+ years)

- I worked on inventory management system for cafes and restaurants.

- I experienced ASP.NET WEB API, Dapper, PostgreSQL, Redis, Amazon SQS in this project.
